SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT PERMIT APPLICATION PUBLIC NOTICE

May 16, 2008

Permit Number:

OCRM-08-115-B

Permit ID:

63223

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT:

Town of Sullivan's Island

C/o WPC, Inc.

1450 Fifth Street West

North Charleston, South Carolina 29405

LOCATION:

On and adjacent to the Cove, off the Atlantic Intracoastal Waterway at the terminus of

Station 12 Street, Sullivan's Island, Charleston County, South Carolina.

TMS# 523-07-00-061

WORK:

The work as proposed and shown on the attached plans will consist of placing earthen fill material in the tidelands critical area. Specifically, approximately 162 cubic yards of earthen fill material will be placed in approximately 0.05 acres (roughly a 25' x 107' area) of tideland critical area. The purpose of the proposed work is to prevent an existing sewer line from becoming exposed due to erosion and to re-establish a historically upland maintenance area for access to the sewer line for maintenance and repair. PLEASE NOTE: This proposed project has been authorized under a Nationwide 3 permit by the U.S

Army Corps of Engineers.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before June 15, 2008. For further information please contact the project manager for this activity, Steven Brooks at (843) 953-0235.
